House size: 54SQM bruto

Dimensions: 4,5 x 12 M

Price: 71.500€ + VAT Special last minute price 55.500€ + VAT

Made from solid timber MHM construction- pure wood

A new modern mobile home with smart compact design and of high-quality and nature friendly material can be used as a home, cottage, office, art studio, a rental suite, apartment or guesthouse right in your backyard almost anywhere you want. The possibilities are endless

it consists of; kitchen-living area, 2 bedrooms, modern bathroom with shower, toilet and Finish sauna for 4 people. Habitable in winter and summer, walls are 33 cm thick.

The construction of the mobile home is solid timber construction from MHM – pure wood which require neither glue nor chemical treatment. The Massiv-Holz-Mauer- MHM consists of dried spucewood joined together by fluted aluminium nails to form a solid, vapour permeable wall.

Heating sytem with IR panels.

This exclusive top equipped solid wood house is ready to take away and it can be placed on your property immediately.
