Liberty and independence and a house, too

Objektadresse: Schillingsdorferstrasse 25, AUT-8010 Graz Kainbach

A special jewel in the middle of the hill area on the brink of the Styrian capital Graz.

1800m² property space; 440m² (30m² of it utility space / rooms),

Please request the detailed exposé by e-mail!

Facing south, magnificent distant views, excellent connections. Surrounded by forest to the west and north. Small group of houses (9 houses), on the hilltop.

You don't buy a house here, that's an absolute bonus with all its features – but houses you can get anywhere. The stunning view, however, is incredible.

What you get is a key for liberty and independence. And not somewhere remote but 10min drive from the city.
